## The future of better business

**Programme Name:**

2026 Technology Excellence Awards

**Company Name:**

Thesis SM (Thesis Student Management)

**Title Outcome:**

Best University Student Management Software 2026 - UK

**Judges' Comments:**

From the outset, Thesis SM proudly offers a trailblazing cloud-born Student Information System (SIS) which was designed and created to ease the pain points of higher education institutions across the UK, Ireland, and Canada. It empowers its varied client-base, enhancing core operations for both institutional demands and region-specific requirements and regulations.

With its seasoned team's dedication to supporting the field of higher education to expand and streamline these services, Thesis SM's SIS is positively impacting the cornerstone of our society. As industry experts, the team at Thesis SM is dedicated to turning their own experiences into opportunities for others.

Thus, Thesis SM's software is bolstering the strength of higher education providers of all sizes, enriching student experiences and reducing educator burdens. Thesis SM is purpose-built to serve both - staff and students, positioning it as a distinctive SIS partner for institutions, that enhances workflows, drives operational efficiency, strengthens communication, and elevates support functions.

Offering configurable, cloud-native software with exceptional user support throughout, Thesis SM delivers a system which was created by higher education professionals for higher education professionals.

It is for these reasons that we have awarded Thesis SM with the title of Best University Student Management Software 2026 - UK.
